Durofit Technologies Private Limited

<http://www.durofittechnologies.in/>

We are engaged in manufacturing & supplying Bush Bearers and Washers. As imparted with sturdy finish and dimensional accuracy, these products have gained huge industry acceptance.

About Us

We at **Durofit Technologies Private Limited**, are considered to be one of the finest manufacturers and suppliers of this highly commendable range of Bush Bearings and Washers, ever since our establishment in the year **2012**. The highly asked for and acclaimed range comprises Thrust Washers, Enameled Strips and Double Spring Seals. This range is manufactured in compliance with the industrial norms, using the finest raw materials and modern machines. Owing to this, their design, finish and dimensional accuracy are highly commendable. Our state-of-the-art infrastructure is equipped with all the required machinery and equipment, required for attainment of several of the firm's goals and objectives. For the purpose of improving our market share, we upgrade the facility on a regular basis. For the purpose of smoothening our management of operations, the facility has been parted into several highly operational units. These units are led by some of our highly skilled professionals, who ensure the improvement of quality and maximization of productivity. Our vast clientele boasts of **Tata Motors Limited, Mahindra & Mahindra Limited** and **Ashok Leyland Limited**. Under the leadership of our director **Mr. Shafeer A. Y.**, we have gained unmatched heights of success. His commendable ability to manage, foresee future and make tough decisions has been one of our greatest assets. Further, for maximum employee satisfaction, he...
